

## Face Masks and Social Distancing

Thursday 6<sup>th</sup> May 2021

Dear Parents and carers

As you will be aware the government are in the process of easing restrictions in response to the Covid-19 pandemic. Although there have been some changes to the restrictions, the guidance for schools remains in place and we are still adhering to our risk assessment to ensure the safety of our whole school community.

The school grounds can become quite busy at drop off and pick up times so it is still really important that all adults wear a face mask at these times unless exempt. We also politely request that parents and carers continue to follow social distancing at all times. Please ensure that only one adult comes onto the school grounds at drop off and pick up times to keep the number of people on the school site to a minimum.

All of these measures support us in preventing positive cases in school. We have not had a bubble closure at The Willows since January and we are proud of the way our staff and children have responded to the safety measures we have in place. Please support us in ensuring our school continues to be a safe place for everyone.

It has been wonderful having all the children back in school and I would like to take this opportunity to thank all of our parents and carers for the support you continue to show us as a school during these challenging times.

Best wishes

Mrs Croke  
Head of School
