Breakfast Club and After School Provision

Dear Parents and carers

I am writing to inform you that unfortunately we will not be able to reopen our breakfast club or after school provision for the summer term.

We have carefully considered the options before making this decision as we want to provide as much support as possible to our families. Due to the altered timings of the school day and our commitment to ensuring the children stay in bubbles, it would not be possible for us to run our breakfast club safely.

We are hopeful that for September, the guidance for schools will change and we will be able to welcome the children back into breakfast club and after school provision.

Thank you for your continued support.

Best wishes
