

A CARING COMMUNITY ACHIEVING AND CELEBRATING SUCCESS

Children at The Willows remain at the heart of everything we do. An important element in a child's education is the link between home and school.

Children learn best when school, parents and carers work together to ensure that they achieve their full potential.

We aim to create a happy, caring community where each child feels important. Every member of staff in school is concerned with the well being of each child in his or her care.

If there are any worries or concerns regarding children's welfare or progress, an appointment can be made to speak to the head teacher or class teacher. Any information given to us is treated with the strictest of confidence. Please remember that school have an obligation to share information with other agencies if there is a Child Protection concern. Parents and welcome to pop into school for a chat with a member of staff or alternatively telephone on: 0161 437 4444

The Willows

A Rights Respecting School

Through our work supporting children and families we are promoting these articles from the Convention on the Rights of the Child:

- **Article 19: Children have the right to not be harmed and kept safe**
- **Article 12: For children to have a say, and to be listened to, especially in things that effect them.**
- **Article 20: Children have the right to be looked after properly and kept safe if their parents are not able to look after them.**

Working in Partnership with Parent/Carers.....
